CONFIDENT CONVERSATIONS, INCLUSIVE CARE

Learning Disability & Autism Training for Frontline Professionals

INTRODUCTION

Many health professionals have completed Oliver McGowan Mandatory Training and have a strong foundation in learning disability and autism awareness. This workshop focuses on what comes next, helping staff put learning into practice through discussion, real-life scenarios and lived experience insight. The workshop is co-produced and co-delivered with people with lived experience and relevant to frontline roles.

WHY BOOK?

This workshop helps staff develop the confidence, communication skills and practical approaches needed to provide inclusive, person-centred support and make reasonable adjustments in everyday practice.
